Esem 4.2

Recessed downlight for indoor applications - 14W 230Vac - adjustable optics ±20° - ø89 mm

**Installation** recessed downlight for indoor applications  
**Mounting** recessed (ceiling)  
**Material** body and trim in aluminium, screen in polycarbonate  
**Finishes** white; black  
**Nº and type of LED** 1 multichip power LED  
**Nominal power consumption** 14W  
**Power supply** 230Vac  
**Control** on / off; DALI + PUSH; 1-10V + PUSH; Mains dimming  
**Power supply unit** included  
**Power cables** includes 0,30 m cable  
**Total delivered lumens** 940 lm (3000K)  
**Optics** adjustable ±20°: 24°; 37°;  
**LED colours** 2700K; 3000K; 4000K  
**Ingress protection** IP40  
**Weight** 500 g  
**Energy efficiency class** A / A+ / A++
Dimensions (mm):
