

## Cinzia

### Cinzia

"Cinzia" is a series of light fitting for compact fluorescent lamps combined with halogen or metal halide R111 adjustable lamps. Installations: wall and ceiling mounted or suspended.

#### Materials

Body in white zinc coated steel.  
Frame in anodized extruded aluminium.  
Opal PMMA diffuser.

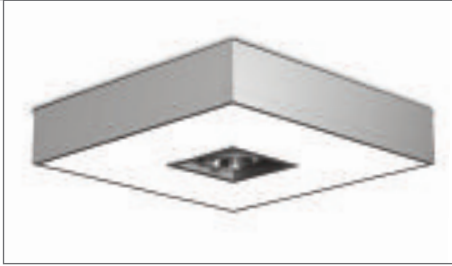

#### Wiring

Electronic ballast/  
transformer 220-240V  
50/60Hz; rigid cable  
H05V2-U section 0,75  
mm<sup>2</sup> (CEI 20-20); socket  
terminal 3P+T (section  
max 2,5 mm<sup>2</sup>).

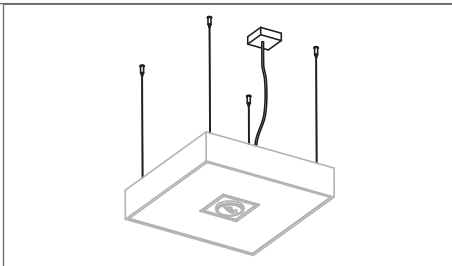

Other possibilities:  
dimmable ballast.  
In accordance with stan-  
dard IEC 598, CEI EN  
60598-1 (CEI 34-21).
