

**TECHNICAL SPECIFICATIONS**

- RATING:** IP68 (Submersible up to 3mtrs)  
**FINISH:** Polished 316 stainless steel with gloss resin top  
**LED'S:** 9 Superbright (up to 24,000mcd) 5mm through-hole LED's, 12° beam  
**LED COLOUR:** Green **(G)** White **(W)** Blue **(B)**  
 Yellow **(Y)** Amber **(A)** Red **(R)**  
 Warm White **(WW)**  
**LENS:** UV stabilized resin fill to LED with clear resin top  
**WATTAGE:** 0.8 watts @ 12v D.C.  
**WIRING:** Pre wired with 1mtr cable  
**MOUNTING:** Dependant on application

**SPECIFICATION CODE: HL309 – (LED Colour)**

**DIMENSIONS**

- HEIGHT:** 44mm high  
**WIDTH:** 50mm wide across top  
 32mm wide across base

**APPLICATIONS**

- Decks
  - Pathways
  - Pavements
  - Pools
- or similar

**CONSTRUCTION MATERIAL**

- 316 marine grade stainless steel  
 UV stabilized resin infill compound
